South	10%
Midwest	10%
Southwest	9%
West	17%
Other (incl. international)	14%

High Schools Attended

U.S. schools only; 192 students attended school outside of the U.S.

Public	67%
Independent Day	18%
Boarding	8%
Religious	9%

Background

The following is based on self-reported information students provided when they applied. A total of 54% of first-years are US citizens or Permanent Residents who identify as members of a minority group. Categories do not add up to 100% because 23% of domestic first-years indicated two or more races/ethnicities and are represented in more than one category.

African American	14%
Asian American	24%
Hispanic/Latino	19%
Native American	3%
White	46%
International	11%

High School Rank

for first-years whose schools report class rank

Top 10%	97%
---------	-----

Note: Yale temporarily suspended its requirement that applicants submit standardized test scores beginning in 2020. Because this policy was in effect for applicants to the Class of 2028, this profile does not include data on the test scores of incoming students. Yale will require standardized tests for applicants to the Class of 2029 and will report score ranges in future class profiles. Learn more at admissions.yale.edu/standardized-tests.
