# Call to Action – Defending Yale

*Yale makes a difference for Americans across the country – by advancing life-saving medical treatments, developing cutting-edge technology that increases national competitiveness and drives economic growth, and expanding educational opportunities for the country's brightest students.*

## **Chemotherapy launched at Yale**

about 1 million people receive this life-saving treatment every year

## **Yale identified Lyme disease**

resulting in treatments for nearly 476,000 people each year

## **Yale developed the first insulin pump**

a device used by about 350,000 people per year

## **First U.S. artificial heart pump developed by Yale**

helping over 6 million Americans living with heart failure
